INFORMATION GUIDE

Age: Any person who has attained the age of 18 years may marry if otherwise competent. If a person is between the age of 16 and 18 years, a license may be issued with written consent of the person's parents, legal guardian or custodian (Please call the County Clerk for details). It is illegal for anyone under the age of 16 to marry in Wisconsin. Legal Guardian must show proof of custody and be present at time of application.

Relationship: Persons closer in relationship than second cousins may not marry. Two exceptions are that (1) first cousins may marry if the female has attained the age of 55 years or (2) either party at the time of application for marriage license submits an affidavit signed by a physician stating that either party is permanently sterile.

Divorced Persons: Persons whose last marriage ended by divorce may not remarry until 6 months after the granting of the judgment of divorce, regardless of the residence of the divorcing parties now or at the time of the divorce. Applicants who have divorced outside of the state (including foreign countries) cannot marry in Wisconsin until 6 months have elapsed from the final divorce decree date. No waiting period is required for court annulments.

Residency: Application must be made in the county in which one or both parties have resided for at least 30 days. If the couple are not Wisconsin residents they must apply in the county in which the marriage is to take place. If the couple are Wisconsin residents but have not resided at their current residence for 30 days they would apply in the county which the marriage would take place.

Proxy & Common Law: Marriage by proxy is not permissible in Wisconsin. Common Law marriages are not recognized in this state.

Questions about your status concerning a common law marriage in another state or country must be resolved by your legal counsel. We are not permitted to give legal advice.

Application: Both parties must apply together in person. The Marriage License/Certificate will be issued on the 6th day after the date of application.

Fee: The application fee of \$75.00 is payable at the time of application by cash.

If the couple should be unable to apply within the required time due to extenuating circumstances, the County Clerk, at their discretion, may waive the waiting period. A form requesting that the waiting period be waived must be completed and an additional fee of \$25.00 will be charged.

Proof of Age: Both parties are required to present a certified copy of their birth certificate which has a raised seal on it from the State or County where you were born. (*Hospital Birth Certificates and State Notification of Birth Registrations are not acceptable*).

Photo ID and Proof of Residency: Both parties must present photo identification (*Current, valid driver's license, alien card, school ID, etc.*) and documentation showing a correct address for proof of residency (*drivers license, rent receipt, checking account, utility bill, etc.*)

Social Security Numbers: Both parties must provide their social security number. It is not necessary for you to bring the actual card with you.

Proof of how Last Marriage Ended: If either applicant was previously married, they must provide a certified copy of the divorce decree or death certificate.

Foreign Language: Documents in another language must have a certified translation. Persons who do not speak and/or understand English must bring an independent interpreter not related to either party when applying.
