

Buffalo County Land Conservation Department

BUFFALO COUNTY: FARMER NUTRIENT MANAGEMENT TRAINING SESSIONS FEBRUARY 14TH, 21ST, AND 28TH

Buffalo County Land Conservation and Resource Management Department is hosting a Nutrient Management Training session for all farmers, plan writers, and others interested in updating or developing a nutrient management plan.

Classes will be held **Thursday February 14th, 21st, and 28th from 12:30-2:30pm at the County Courthouse in Alma** (3rd Floor conference room). One-on-one sessions will be offered afterwards to work on your plans.

Tuition vouchers of \$500 can be reimbursed to participants that attend all three classes and successfully complete a Nutrient (590) Management Plan. Soil testing reimbursement can be made for up to \$750 if samples are 3 years old or more.

Please call the Land Conservation office at (608) 685-6702 to register today!
